# Feedback

This NLP Basic Practitioner Workshop was very informative and interactive. I have learnt a lot from this NLP exposure. I have enriched my skills. It has widened my horizon.

We could easily understand each and everything the way it was conveyed to us.

And I can say with assurance that your encouragement and your feedback will really make some difference in my life

Thank you.

- **Leena Kelkar**

Even though, the subject NLP coaching is so challenging Janki Madam has taken lot of time and effort to clarify the rudiments and explain in the easiest possible way...all the time very supportive in clarifying our doubts...any one looking for NLP coaching...it will be the best option to train under her supervision.

# Feedback

I had a wonderful experience taking the NLP training and workshop under the lights of Mrs. Janki Bhatt. She is highly proficient in the field of NLP and has a very balanced approach on delivering the knowledge base through real life citations and situations. This approach particularly helped me to introspect and reflect on both the fronts - personal and professional. I can confidently chime that the outcome of the training has helped me to lay out a clear vision for success. Really thankful to her for the cutting edge training materials and constant guidance post training sessions. Thank you again!
